

## **COMPUTER FORENSICS & PROJECT MANAGEMENT DIPLOMA**

### **The Program in Brief**

The Computer Forensics program provides its participants with a comprehensive understanding of computer forensics and investigation tools and techniques. All major personal computer operating system architectures and disk structures will be discussed. Participants will learn about the most relevant software and hardware tools, the importance of digital evidence controls, and how to process crime and incident scenes. Participants can also look forward to in-depth coverage of key areas like data acquisition, computer forensic analysis, e-mail investigations, image file recovery, and investigative report writing.

### **The Type of Program Participant Who Would Benefit Most:**

Anyone interested in eventually entering a technical field of law enforcement or anyone whose work involves information technology related security duties would be well served by this program. New immigrants with IT experience and IT professionals going through career development training.

### **Prerequisites**

A high level of computer literacy, preferably A+ Certification or equivalent experience would be ideal.

### **Key Topics**

- The Computer Forensics Profession
- Computer Forensics Tools
- Digital Evidence Control
- Data Acquisition
- Computer Forensics Analysis
- E-mail Investigation
- File Recovery

- Formal Report Writing
- IT Project Management

### **Other Key Program Elements**

Participants can expect to be continuously challenged by way of demanding assignments and projects aimed at helping them build high level skills. Some labs/assignments/projects to be expected include:

- Data Recovery Lab
- Encrypted Password Cracking Lab

**Other Programs/Certifications participants will be in a position to successfully participate in/pursue upon completing this program:**

- CCE Certification
- IT Project+ Certification

### **Factors worth Noting**

- The program is **instructor led**
- The program is available on **full time and part-time bases**
- The program lasts **30 weeks**
